VOL. 43, NO. 48

VOTE ON NEW SWIM POOL NEXT TUESDAY

Council Continues Hastings Hearing

Continuation of a public hearing on the Hastings Ranch annexation proposal will be held at the public school November 9.

At its regular meeting last Tuesday, the City Council set that date for all-out arguments on annexation of 200 acres west of Michillinda avenue.

In the meantime, the Council was awaiting reports on (1) water, (2) fire insurance and fire protection requirements, (3) taxes and assessments in connection with the annexation.

As a prelude to the November 9 hearing (a Wednesday night because November 8, a Tuesday, is election day), approximately a dozen and a half persons out of more than a hundred that crowded the Council chambers Tuesday spoke either for or against the proposal.

Many of the questions concerned water. But Councilman Henry Nuetzel pointed out that a report from Water Engineer Harold Conkling probably would be received by the next meeting.

A letter from the consulting engineer, who has been retained by the city to make the study at a cost of about \$500, was read at the meeting.

It said that the State Water Board and the watermaster (of the Raymond Basin) say that "a complete detailed report is necessary before the Board can find as to the amount of additional safe yield" that the Big Santa Anita diversion project will bring.

Conkling said that his report will determine the amount of new water that will be made available. The results of the studies "will be sufficient to present to court and to the watermaster in support of the city's claim for additional pumping rights," he added.

Among those speaking for the annexation was Charles H. Mathews of 126 W. Grandview. He said that if Sierra Madre fails to annex the area, the city would have no control over the size of the lots and streets, the continuation of existing streets and other factors.

The question was raised by John Osgood of 615 W. Montecito as to whether or not the subdividers would be allowed to join with less than the presently required 7500 square foot lots.

Nuetzel pointed out that the matter would go to the Planning Commission and that nothing had been decided definitely at yet.

Following this up, A. L. Harris of 734 W. Fairview avenue declared that the development would be "a very wonderful thing for Sierra Madre" if decent houses were built.

Mark Dailey of 162 E. Alegria said he would agree 100 per cent if the people voted the

PUBLIC SCHOOL STUDENTS GET EXTRA-LONG WEEKEND

Bad news, kids! No matter how disappointed you may be, you CANNOT go to Sierra Madre Grammar School next Monday, Oct. 17. The school will be closed!

Superintendent Charles A. Skutt explained that the "holiday" was scheduled to allow the teaching staff to attend all-day Institute sessions at San Marino.

Skutt pointed out, however, that parents interested in child guidance are invited to attend the morning sessions, beginning at 9:30 a. m., at the Henry Huntington School.

The afternoon meeting, starting at 1:30 p. m., will feature Dr. A. John Bartky of Stanford University, speaking on "Human Relationships."

Sierra Madre parents are welcome at both sessions, Skutt said.

Lions Club Favors Pool

The Sierra Madre Lions Club Thursday night voted "whole-hearted endorsement" of Proposition No. 1, the new swimming pool proposal on which voters will decide Tuesday, Oct. 18.

In a letter to the NEWS, Lions Club President Carl Peterson writes:

"... At its regular meeting of Oct. 6, 1949, the Lions Club unanimously approved the issues involved and wished to go on record favoring the new swimming pool and method in which funds are to be raised.

"The Lions Club sponsors many youth activities and most naturally wished to see this proposition pass and the city benefit with a new pool."

FIRE CHIEF JAMES HEASLEY

Heasley Asks Home Fire Safety Check

A single afternoon or evening will be enough time to rid your home of the most common fire hazards, Fire Chief Jim Heasley said today in urging Sierra Madre to join in the nation-wide observation of Fire Prevention Week, Oct. 9 to 15.

"The first step is to clean out the cellar," Chief Heasley said. "Most families have stacks of old magazines, piles of discarded clothing, and even pieces of furniture stuck away down there.

"All it takes is a spark from the furnace, or a defect in the wiring, or a carelessly dropped cigarette to start a fire in the cellar."

The local chief said the next step is to clean out the attic, which is another danger spot. "By cleaning up your home this week, you may keep it from burning up next week," he said.

Chief Heasley also suggested these simple precautionary measures around the house:

1. Keep matches out of the reach of small children. Distribute enough ashtrays about the house. Don't permit any smoking in bed.

2. Don't play home handyman with electric wiring. Have faulty wiring replaced or repaired by a qualified electrician.

3. Have chimneys and fireplaces checked at least once a year. Check for cracks and loose bricks.

In addition to these specific rules, Chief Heasley emphasized that "careless handling of cigarettes and matches is still the No. 1 cause of fire."

Active Canvassing Ends In New Nursery Drive

Active canvassing in the Sierra Madre Community Nursery School Association's fund-raising campaign ended last weekend, and Drive Chairman John C. Loomis Jr. said Tuesday that returns are still coming in from District Captains and their solicitors.

Loomis said that the final tally and announcement will be made when all reports are in.

Meanwhile, the Building Committee, under the leadership of A. L. Pittinger, has completed preliminary plans for the new Nursery School Building and is now making final plans and drawing up specifications for bids on materials and construction work.

According to Chairman Pittinger, volunteer labor will be used wherever possible to pare down costs of construction.

Although giving extra time to the fund drive, members of the Association have continued the routine activities necessary for operation of the Nursery School. With the coming of cold weather, additional cots are needed for the children's rest periods.

The Housing Committee, under the guidance of Kenneth Bush, has scheduled an all-day workday for this Saturday, Oct. 15, to be held at the Bush home, 633 W. Sierra Madre boulevard. Purpose of the workday, which will begin at 10 a. m., will be the assembling of cots.

ADULT CLASS IN COPPER, LEATHER BEGINS TONIGHT

A class in copper and leather craft work will begin this evening, 7 to 10 p. m., at the Grammar School cafeteria. The new class will meet every Thursday evening, with Mrs. Lola E. McCrum as instructor.

As part of the Adult Vocational program now being offered Sierra Madreans, this new class joins three other already scheduled classes.

Other classes now in progress are lampshade making, instructed by Mrs. Viera on Tuesdays, 7 to 10 p. m., at the School cafeteria; upholstery, taught by Mrs. Dorothy Wallace on Wednesdays at the Youth Hut, 9 a. m. to 3:30 p. m., and rug making, instructed by Mrs. Callman on Thursdays, 9 a. m. to 3:30 p. m., at the Woman's Club House.

"There is still room for new enrollees in all classes," Recreation Director Sam McElfresh said this week.

He particularly emphasized that additional registrations in the newest class, copper and leather work, are essential or the class cannot be continued.

A fifth class, one in creative writing, is being scheduled. Persons interested in this class should contact either Recreation Chairman Al Morgan at the Bank of Sierra Madre, or John Russell McCarthy, creative writing instructor, who lives at 151 Vista Circle Drive.

This is the first year Adult Vocational Classes have been offered in Sierra Madre. In other years, persons wishing to attend such courses had to travel to Pasadena. They are offered through the Extended Day Program of the Pasadena Junior College District.

Petition Opposes First Proposition

A petition, signed by 40 residents of the Canyon and urging the defeat of Proposition No. 1, was read at the City Council meeting Tuesday night.

Circulated by T. R. Stetson of the Property Owners' Association and read by Grace Vane, secretary, the petition states that another swimming pool is a needless expense, and that the existing Canyon Pool should be improved and continue to operate.

Janice Mandel, 11, daughter of Mr. and Mrs. B. H. Mandel, 306 W. Highland, won the fourth prize Two dollars in cash go to Janice, who is a student at the Grammar School.

Chamber President Morgan said each of the 30 children who entered the contest will receive an extra, unscheduled prize—one free ticket to the Sierra Madre Theater.

Contestants are asked to pick up their ticket at the Theater at their earliest convenience.

"Selection of the winners was difficult," Morgan said. "Nearly all of the essays presented valid points in an interesting style."

Other entries in the Chamber Essay Contest were: Beverly Barnes, Geraldine Barnes, Sarah Carver, Billy Collins, Peter Conaty, Diane De Bry, Josephine Garcia, Michael Gingrich, Jimmie Glynn, George Gruber, Robert Hanam, Ronnie Hayes, Herk Hewitt, Bob Kinney, Eddie Kinney, Marilyn Kruttsch, Kathleen McCloskey, Phyllis Meyers, Carolyn Morag, Jacole Pade, Jo Ann Podliska, John Schweiger, Marlene Smith, Irene Snell, Stinder Sweeney, Betty Tice, Thomas Trahan.

Mrs. Alexander Black, chairman of the Ways and Means Committee, this week announced plans for the Association's Third Annual Christmas Dance, to be held this year Dec. 10.

Voters Face Two Vital City Recreation Issues

Sierra Madre voters go to the polls Tuesday to decide on two vital issues affecting the recreational future of this city.

In urging a large turnout at the balloting stations, Mayor J. Milton Steinberger said the important thing in any election is not how you vote, but that you do vote.

Balloting issues at the Oct. 18 election are:

* **YOU CAN HAVE A NEW SWIM POOL FOR 1 CENT A DAY**

* **Just one cent a day!**

* **Al Morgan, President of the Chamber of Commerce, and Chairman of the Recreation Com. told citizens on Wed. that one cent per day added to your present real estate tax will build a new modern swimming pool for the children of Sierra Madre.**

* **In urging a "yes" vote in Tuesday's election (Oct. 18), Morgan said "This most certainly is not too much to ask for the recreation welfare of our youngsters."**

First Proposition: That a maximum of 25 cents per \$100 assessed valuation be established on the tax rate to pay for the construction of a new swimming pool. This amount would be assessed for a period of three years, or until such time as \$35,000 is raised.

Second Proposition: That an annual tax rate of a maximum of 10 cents per \$100 assessed valuation be allowed for the maintenance of the swimming pool and the operation of the city's recreation program. Money raised under this proposition would not be used for the construction of the pool. There is no specific time limit indicated as in the case of Proposition No. 1.

Polls will be open from 7 a. m. to 7 p. m., and the following balloting stations have been designated:

Voting Precinct A, consisting of regular election precincts 1, 3, 5, and 8, will be located at the City Hall, 55 W. Sierra Madre boulevard.

Voting Precinct B, consisting of regular election precincts 2, 4, 9, 10, and 12, will be at the Parkhouse, on the corner of Hermosa and Sierra Madre boulevard.

Voting Precinct C, consisting of regular election precincts 6, 7, and 11, will be at the Sierra Madre Canyon Bathhouse, 544 Woodland Drive.

Several civic groups have gone on record favoring one or both of the issues. Among these are the Sierra Madre Chamber of Commerce, and the Lions Club.

TWO GIRL SCOUT LEADERS WANTED

Wanted—two Girl Scout leaders. Requirements: interest, enthusiasm, and understanding of young girls. To work with a seventh-grade troop of the practically self-sufficient teen-age Mariners. Opportunity unlimited.

Please apply to Mrs. John Conzelmann, president of the Sierra Madre Girl Scout Council, CU, 5-1200.

RENT DECONTROL HEARING DATE SET

A public hearing on the question of rent decontrol was set for Tuesday night, Nov. 22, by the City Council this week.

Robert Aarons, legal counsel of the Sierra Madre Property Owners' Rent Decontrol Committee, said that it was the intent of Congress that rent controls should not be continued longer than necessary, and quoted Governor Warren as saying that whenever a community has a vacancy rate of 4 percent or more, rent controls should be discontinued.

According to Aarons, a survey now being undertaken by Sierra Madre indicated that this city now has a vacancy rate in excess of 4½ per cent.

He said that if the local Rent Decontrol Committee, headed by Mark Dailey, makes out a case against continued controls, "we are entitled to a resolution ending rent control."

Car Strikes Girl, Age 7

Struck down by an automobile, Louise Carlson, 7, narrowly escaped death or serious injury Monday afternoon when the car passed over her body without the wheels touching her.

Today, Louise is in St. Luke's Hospital recovering from a fractured left leg and abrasions of the head, hands, legs, and body.

According to Sierra Madre police, the little girl ran in front of a car driven by Sidney Drew Klor, 1110 Baldwin avenue.

Witnesses say Klor's automobile was traveling west on Sierra Madre boulevard at approximately 25 miles per hour when the accident occurred near Sunnyside avenue.

Louise is the daughter of Mr. and Mrs. Kenneth Carlson, 277 Ramona. The child's mother had just come home from St. Luke's Hospital that morning, following the birth, Wednesday, Oct. 5, of a new son, Christopher Michael.

Evangelist To Speak Sunday at Bethany Church

Evangelist George T. Stephens of Wilmington, Delaware, will be guest speaker at

GEORGE T. STEPHENS
Evangelist

both the morning and evening Bethany Church Services this Sunday, Oct. 16.

The Rev. Stephens, who is the father of Mrs. Clarence Nida, Bethany Church pastor's wife, has been active in the evangelistic field for 40 years. He has conducted many city-wide meetings in the eastern and southern portions of the United States.

During World War II, under the auspices of the Pocket Testament League, he conducted evangelistic meetings in more than 200 army, navy, and air force bases. As a result of these meetings, it is said that approximately 2400 young men were converted to Christianity.

At the first of the year, Mr. Stephens is planning to travel to Japan to preach in the high schools of that nation.

Following this Sunday's evening message by Mr. Stephens, a colored motion picture entitled, "To Win a Nation—Japan," will be shown.

Service Groups Support City Youth Fund Drive

Every service organization in Sierra Madre is solidly behind this year's Youth Fund Drive, Campaign Chairman Dr. Raymond Simpson said yesterday.

In reporting progress of the drive which will benefit worthy youth organizations, Dr. Simpson said four teams of Kiwanians began pin-point canvassing of Sierra Madre Monday morning.

Sponsored annually by the local Kiwanis Club, the Youth Fund Drive is Sierra Madre's counterpart of the Community Chest Drive in other cities.

A goal of \$4000 has been set for the 1949 campaign, which will continue through Oct. 20. Money collected this year will aid Sierra Madre Boy Scouts, Girl Scouts, Campfire Girls, and Toy Loan.

Chairman Simpson said that Sierra Madre's low juvenile delinquency rates are kept low largely through the community support of the Youth Fund Drive.

As a result of drives of other years, Dr. Simpson said Sierra Madre's Youth Hut, Recreation Commission, and Coordinating Council were formed.

"Sierra Madreans will benefit from the drive in direct proportion to what they put into it," he stated.

Checks should be made payable to the Community Youth Fund, Dr. Simpson said. Kiwanians will call at every house in Sierra Madre. If the donor prefers to mail in his check, however, it should be addressed to David Allen at the Bank of Sierra Madre.

During the last two nights of the campaign, Oct. 19 and 20, citizens wishing to contribute an additional dollar

should leave their porch lights turned on.

"On these nights, between the hours of 6 and 9 p. m., Kiwanians will drive up and down Sierra Madre streets and stop at only those houses where porch lights indicate an extra contribution is there to be picked up."

P-TA Drive Ends Friday

Annual Membership Drive of the Parent-Teacher Association closes tomorrow, Oct. 14, and Drive Chairman Mrs. T. E. Willis indicated yesterday that the goal of 100 per cent membership in each classroom "probably would be reached."

As of Monday afternoon of this week, 10 of the 20 classrooms in the Sierra Madre Grammar School had already reached their 100 per cent goals.

At that time, a total of 550 memberships had been received, still 75 short of last year's 625 sign-ups.

"There are more students enrolled this year, however," Mrs. Willis said. "The School now has a registration of approximately 600 pupils."

Each of the classrooms boasting 100 per cent membership in the P-TA will receive a cash award of \$2.50. In addition, the classroom having the largest percentage of both parents joining the Association—two parents for each student—will receive a \$5 prize.

"At present, Mrs. Sam McElfresh's second-grade class is leading in this phase of the drive," Mrs. Willis said.

REVIVAL SPEAKER WILL ADDRESS NAZARENE CHURCH

Rev. Maurice F. Gordon, Expositor and Bible Teacher of Selma, Calif., will reign over the two-week Revival Meeting at the Nazarene Church, October 16 through Oct. 30.

Each evening at 7:30, Rev. Gordon will give talks and short lectures.

Post Office Considering 3 Possible New Sites

That Sierra Madre soon will be getting a new Post Office became more certain this week with an announcement from a Los Angeles Post Office Inspector saying three possible new sites for the office are being considered.

Inspector R. A. Short told the NEWS yesterday that the change in location of Sierra Madre's Post Office would be settled within 45 to 60 days.

In declining to indicate specifically which Sierra Madre

lots are being considered, Short explained that all proposals must be evaluated individually, and the Post Office Department must be certain that all legal requirements are being met before any announcement can be made.

Sierra Madre Postmaster Ed. Robertson said "We're glad that plans for a new office are finally taking definite form. We can't tell yet, however, which bid will be accepted."

HAPPY BIRTHDAY

Many old friends dropped in and called to congratulate Mrs. D. Caley on her 88th birthday, Oct. 6. Mrs. Caley resides with her daughter, Mrs. Mabelle Barker of 233 Ramona.

INDIAN POW-WOW

It is reported that the local Indian Guides may elect new officers when they meet tomorrow night (7 o'clock Oct. 14) at the Murray W. Hawkins home, 610 N. Auburn.

Air Reservists To Meet Tonight At Public School

Fall training program for Sierra Madre Air Force reservists began Thursday, September 29, according to an announcement by Lt. Colonel Francis M. Sutton, commanding officer of the local 9353 Volunteer Air Reserve Training Unit.

Third meeting of the group will be held tonight, Oct. 13 in Room 104, Life Science building, Pasadena City College. The Air Reservists will meet every Thursday night during the fall months.

Colonel Sutton invited reservists not already participating in the unit's activities to enroll at once.

GOP Voters Lead in City, County Says

A total of 3863 voters in Sierra Madre will be eligible to cast their ballots in the Nov. 8 special election, according to figures submitted to Supervisor W. A. Smith by County Registrar of Voters Benjamin S. Hite.

Republicans continue to lead Democrats in registration, Hite reported. Registration by parties is as follows:

Democrats, 1694; Republicans, 1950; Prohibition, 8; Independent Progressive, 16; Declined to state, 192; and miscellaneous, 3.

The 3863 total is 209 less than the record registration of 4172 for the presidential election last November, Hite reported.

County-wide, Democrat continued to maintain a 3 to 2 lead over Republicans in registration, the same ratio that existed last November, Hite disclosed. Total registration is 19,403, a drop of 182,726 or 8.6 per cent over the record registration of 21,228,558 established last year.

"The decrease," Hite declared, "is due primarily to the elimination from the rolls of all voters who failed to ballot in the state-wide elections of 1948."

Nazarene Activities

Young members of the local Nazarene Church are planning to attend the Young People's Rally, Friday night at the Alhambra Nazarene Church.

Rev. Burlison of the Sierra Madre Nazarene Church spent three days last week at the Pastor's Retreat in Forest Hills, Calif.

PAUL DIETRICH, president of the Crippled Children's Society of Los Angeles County, looks on as Keetje Van Benschoten, of Los Angeles, outlines the theme of the 23rd annual meeting of the California Society for Crippled Children.

The Los Angeles County organization will be host to the meeting which will be held at the Ambassador Hotel October 15 and 16.

Delegates from the 34 local chapters of the Society will be on hand to discuss problems and latest developments relative to the rehabilitation of crippled children.

Driver Pays \$75 Fine

Clocked at driving 85 miles per hour, and charged with ignoring two boulevard stop signs, Richard Eugene Dwyer, 533 1/2 Sturtevant Drive, paid a \$75 fine Saturday morning in traffic court.

City Judge John C. Mead sentenced Dwyer to the \$75 fine or a 15-day jail sentence, saying that next time "it will be a flat jail sentence."

Richard Sadowski paid a \$15 fine for exceeding the city speed limit and running a stop sign.

Joseph John Pauro was fined \$13 for speeding; Homer L. Bussey, who was accused of parking in front of a fire hydrant, paid \$3.

Cited for disregarding a boulevard stop sign, John E. Kilpatrick of Pasadena was fined \$5 by Judge Mead.

Robert Leroy Brenner of Pasadena paid a \$5 fine for parking in the closed section of the Mount Wilson Trail.

BOY, 14, CHARGED WITH BURGLARIES

A 14-year-old boy was apprehended last Thursday by Sierra Madre Police and accused of breaking into the Parkhouse and Toyloan buildings Sunday, Oct. 2.

Police said the youth later confessed the two break-ins, and admitted taking several pencils and a ball-point pen from the Toyloan. He reportedly consumed seven bottles of soda pop on the Parkhouse premises.

Entry into the Parkhouse was accomplished, police said, by breaking glass in the door and unlocking the handle from the inside. Chief of Police Gordon G. McMillan reported that the boy entered the Toyloan building through an unlocked window.

Rehearsals For 'Messiah' Start Mon.

President Francis Eakman and Director Stewart Matter announced this week that the City Chorus will begin rehearsals for Handel's "Messiah" at the regular Monday evening meeting, 8 to 10, at the School Auditorium, Oct. 17.

It is planned to have the public performance of "The Messiah" in the School Auditorium about a week before Christmas.

Recent encouraging additions of talent to the group have strengthened the management's decision to have this year's rendition, including soloists, an all-Sierra Madre production. Last year soloists were imported.

More singers are still needed, both choristers and persons who can sing solo parts, since it is the intention of the management to distribute the solo parts to more persons than the conventional four. All persons who took part last year and have not yet appeared at rehearsals this season, are strongly urged to come out next Monday. New voices, with or without experience, are likewise urged to join at once.

Mrs. Hjordis Parker Returns Home After Northern Lectures

Mrs. Hjordis K. Parker, 31 E. Highland, returned recently from San Jose, where she opened the Adult Educational Forum of that city with her film lecture, "Norway, Her Life and People."

Also instrumental in launching a similar forum in Oakland, the prominent Sierra Madre lecturer in August of this year presented a 15-film lecture series entitled, "The World in Color."

Mrs. Parker, who says she became interested in this type of work approximately four years ago, has just completed a film strip on Norway which will be shown throughout the entire world.

Intended primarily as a visual aid device to be used in public schools, the film strip has been approved by the Norwegian government and will be used in Tourist Bureaus to entice travelers to visit Norway.

Four film strips, photographed by Mrs. Parker, show the city life, rural life, culture, and industries found in Norway.

She also recently finished photographing and directing the production of a 16mm sound and color motion picture, "The People of Norway."

CHAMBER BOARD URGES BIG VOTE

The Chamber of Commerce Board of Directors Monday night urged all citizens of Sierra Madre to vote at next Tuesday's city election.

Principal business of the Board meeting was the selection of winning entries in the Chamber's Essay Contest on "Why Sierra Madre Needs a New Swimming Pool."

Members of the Board also resolved to devote most of its energy until the holidays on plans for the annual Christmas program, A Benefit Show at the Sierra Madre Theater

was tentatively scheduled for Dec. 14.

Funds received from this show will go toward the Chamber's Christmas Program series and decoration of the Pacific Electric station, President Al Morgan said.

John Marshall Pupils Dance at Parkhouse

Sierra Madre students of John Marshall Junior High School staged a dance Friday night from 8 to 11 at the Parkhouse.

Supervising at the dance were Recreation Director Sam McElfresh and Mrs. John G. Pascoe.

McElfresh said Sierra Madre teenagers are now looking forward to the Halloween Dance, which will be held Friday night, Oct. 28, also at the Parkhouse.

Dinner Opens Concert Drive Here

Kickoff dinner for the 1949 Community Concert Service in Sierra Madre will take place November 7 at Eaton's. This will be followed by a membership campaign for one week only—November 7-14. Membership workers and officers will be dinner guests of the Community Concert Association.

Local officials point out that a Sierra Madre Concert Membership ticket entitles holders to three local concerts as well as other Community Concerts in areas including: Monrovia, Azusa, El Monte and Hollywood.

Heading the local Concert group are: Don Jackson, President; Charles Skutt and John Mead, Vice-Presidents; Al Morgan, Treasurer; Mrs. John Mead, Secretary; Mrs. John Foreman, Dinner Chairman; Laura Cadmus Bezotte, Publicity Chairman; and Mrs. Norman Eaton and Mrs. R. O. Richards, Membership Chairman.

The Canyon Speaks!

VOTE NO

on 2nd SWIM POOL!

The Canyon should not be deprived of the pool, and if as expressed in the paper by a member of the City Council it is the intention to operate two pools there is insufficient patronage available and both would run at a severe loss to heavily burdened taxpayers.

Therefore it is urged that the election proposition to raise by taxation money for another pool be defeated.

Sierra Madre Property Owners' Association

C.N.P.A. MAILING SERVICE

Luscious grapes deserve a de-luscious queen. That is why California's wine growers have chosen Pat Hall, Hollywood starlet, to reign as Vintage Queen during National Wine Week, October 8th to 15th. The colorful autumn event is being celebrated throughout the country as a tribute to the wines of America's vineyards.

Dozen From City Attend Art Center

Sierra Madre is well represented among students of the new San Gabriel Valley Art Center, with nearly a dozen in attendance from this city.

Paul Jacobs, Peter Ward, and Kenneth Barnes enrolled in the Saturday morning Children's painting classes, and W. de la Torre is a member of the Thursday evening life sketch class. Several new classes started

Oct. 10. Among these were Interior Decoration for the Home; Lettering and Design; and a clay modeling course for children. Previously scheduled and still open for new enrollments are classes in advanced oil painting, beginning oil and watercolor, fundamentals of drawing and painting, landscape, and sculpture.

BEACH HOLIDAY

Mrs. Mabelle Barker of 233 Ramona, returned Monday from a three-week vacation in Long Beach, where she was a guest at the Dolly Varden Hotel.

Improved Marshall School Bus Schedule Announced

An improved bus service to and from John Marshall Junior High School began operation Monday—the result of a series of meetings between Sierra Madre parents and officials of the Pasadena City Schools System.

Four busses have been scheduled for morning transportation to Marshall, and three busses will bring local students home again in the afternoon.

Specific children have been assigned to Busses No. 6 and 8 for both the morning and afternoon trips. These children are designated through a geographical pattern of the bus routes.

If children miss the busses to which they are assigned, however, they may still get to school on later busses (No. 5 and No. 7).

The new bus schedule constitutes the first time an effort has been made to arrange busses to cover all of Sierra Madre, and not just Sierra Madre boulevard.

To answer complaints and meet requests for better service, Pasadena Schools officials agreed to meet local parents. Marshall School Principal Dr. William Nathan Wilson met with Sierra Madreans and worked out the schedule which is expected to be more than adequate for the rest of the school year.

According to Sierra Madreans working on the committee, Dr. Wilson was very cooperative, and the desirable outcome of his meetings is due largely to his personal efforts in getting necessary approval.

Besides the three return-trip busses which leave Marshall at 3:35 p. m., a fourth bus (No. 2) has been arranged for students engaged in extracurricular activities. This bus will leave at 5:15 p. m.

Parents of Marshall School pupils are asked to urge their children to abide by the schedule and take the bus to which they are assigned.

The bus schedule follows:

MORNING

Bus No. 6—7:50 A. M.

Route: Leaves the corner of Highland Ave. and Mt. Trail, north on Mt. Trail, east on Sturtevant Dr., south on Canon Ave., east on Sierra Madre to Rancho Rd., returning west on Sierra Madre Blvd. and Paloma St., north on Allen Ave., east on Casa Grande St. to Marshall Junior High School—arriving at 8:15 a. m.

STOPS: Mt. Trail and Highland, 7:50 a. m.; Mt. Trail and Alegria; Store; Canyon and Grandview; Sierra Madre and Canyon; Rancho and Sierra Madre.

Bus No. 8—8:20 A. M.

Route: Leaves the corner of Esperanza Ave. and Baldwin Ave., west on Esperanza, south on Hermosa Ave., west on Ramona Ave., north on Michillinda Ave., west on Sierra Madre Blvd., and Paloma St., north on Allen Ave., west on Casa Grande St. to Marshall Junior High School—arriving at 8:35 A. M.

STOPS: Esperanza and Baldwin—8:20 A. M.; Ramona and Lima; Ramona and Michillinda.

Bus No. 5—8:25 A. M.

Route: Leaves the corner of Sierra Madre Blvd. and Mt. Trail West on Sierra Madre Blvd., north on Sierra Madre Villa, Northwest on New York Drive, South on Foothill, West on Washington St., South on Allen Ave., East on Casa Grande St. to Marshall Junior High School—arriving at 8:55 a. m.

STOPS: Sierra Madre and Mt. Trail—8:25 A. M.; Sierra Madre and Baldwin; Sierra Madre and Lima; Sierra Madre and Sunnyside; New York and Kinneloa Canyon Rd.

Bus No. 7—8:35 A. M.

Route: Leaves the corner of Michillinda Ave., and Grand-

view Ave., east on Grandview Ave., south on Auburn Ave., West on Highland Ave., South on Lima Ave., West on Sierra Madre Blvd., and Paloma St., North on Allen Ave., East on Casa Grande St. to Marshall Junior High School—arriving at 8:55 a. m.

Council Continues

From page one

annexation in, but Paul Carter, 700 N. Lima, declared: "After an exhaustive study is made, I suggest that the decision be left entirely to the City Council."

Carter pointed out that the advantage to the city would be a broadening of the tax base and that "control of the subdivision was always desirable," but he added that if assessments went too low, the tax advantage would be lost to the city.

A. T. Murray of the Sierra Madre Villa avenue area pointed out that water might be available to the Upper Hastings if it remained in County territory.

He said that the County Supervisors now are working over a plan under which all county territory could be joined into the Metropolitan Water District.

Carl Pegler of 89 W. Orange Grove avenue declared that he was "dead against" the city's joining the Metropolitan Water District, and he cautioned the Council against depending upon the Big Santa Anita.

As for taxes, Nuetzel said that a report from the county assessor showed that on the basis of a 900 square foot house the assessment would be about \$1800 with an additional \$500 assessment on the lot, making a total of \$2300 (not including personal property). (This figure before exemptions.)

He pointed out that figures from the assessor's office also showed that 64 per cent of all homes (land and improvements) in the city are assessed for less than \$2500—1575 out of the city's total 2460 homes.

According to the breakdown, there are 238 homes assessed at from \$1 to \$500; 170 from \$500 to \$750; 402 from \$1000 to \$1500; 315 from \$1500 to \$2000, and 235 from \$2000 to \$2500.

Those favoring annexation didn't let Mrs. Edith Vane get away with it when she, in a round-about manner, said that residents of Sierra Madre were on the intellectual side.

"A survey showed that the kind of people that will be buying homes in the Hastings are \$52 a week people—they work by the hour," she said. "Well, of course, there's nothing wrong with that, but . . ."

L. C. Shepherd of 93 W. Mira Monte declared that if people making \$300 or less a month constitute "riff-raff," then there is "a lot of riff-raff in Sierra Madre."

He asked the Council to either annex or turn it down so that the subdivision could get underway. He said he was interested in buying a home in the tract to get out of paying \$75 a month rent.

"And there are about 40 fellows here that feel the same way," he said. "The main thing I am interested in is getting a home."

Fraicis Bradley of 267 N. Baldwin avenue backed him up. He said that "Mrs. Vane seems to have the idea that this town is a Bel-Air."

"There are a lot of people in this town that work by the hour," he said, "and we can't even afford pensions for our policemen and municipal employees."

"Maybe with this subdivision, we'll be able to do it. It's expensive property over there, and they can't afford to build junk."

Schools Superintendent Charles Skutt said that if the Hastings area remained in the county or came into the city, it would make no difference to the school district. The difference would come only if it annexed to Pasadena.

He reiterated a statement of two weeks ago that four classrooms are needed for the school as of today at a cost of \$116,000.

These four classrooms plus an additional ten for approximately 300 children of the Hastings Ranch would cost about \$295,000, he said.

Councilman Henry Korsmeier had said that this could be cut to about \$230,000, and when questioned on this point by Robert Darcy, Skutt said that his figures were based on architects' estimates but that bid costs may end up somewhat between the two figures.

Nuetzel declared that a check of water consumption for ten new homes at Mira Monte and Alegria showed the average annual use to be 3.18 acre feet of water.

"On this basis, the 900 proposed homes of the Hastings would require 286 acre feet a year," he said.

In answer to a question by C. A. Vane, Mayor Milton Steinberger declared that the city had filed for the Big San-

ta Anita water diversion long before the annexation plan was brought into the picture. He said there was no tie-in between getting the water and the annexation.

Councilman William Kinney declared that "we all ought to take the viewpoint that we're working this thing out together—I'm a taxpayer too—and we'd arrive at an answer more quickly."

"We're not going to rush in, to this thing, and I think I'm speaking for all the Council," he said.

Also read at the Council meeting was a letter from Willard A. Evans of 397 W. Montecito avenue urging annexation of the Hastings.

Expect Mrs. Wynne's Father To Recover

Mrs. Leslie B. Wynne of 273 Sturtevant Drive, received a long-distance call from her son and daughter-in-law, Dr. and Mrs. Thomas Wynne, that although Mrs. Tom Wynne's father, J. C. Villien, is very ill, they expect him to recover.

Dr. and Mrs. Wynne have been with Mr. Villien in Maurice, Louisiana, for the past three weeks. Dr. Wynne was expected back in Sierra Madre yesterday.

Dickens Fellowship First Fall Meeting

First fall meeting of the local chapter of the Dickens Fellowship will be held Thursday afternoon, 2 p. m., Oct. 20, at the home of Mrs. W. L. Porterfield, 300 Churchill Road.

Mrs. George H. Galbraith, 97 W. Carter avenue, will serve as assisting hostess.

Dickens Fellowship was founded in London on Oct. 6, 1902 by three of Dickens' ardent admirers. Since that time, it has become a world-wide organization of members who are devoted to the humor and pathos of Dickens' writing.

"The Dickensian" is official magazine of the organization. There are 40 chapters in the United Kingdom, 19 in the United States, 7 in Canada, and 4 in Australia.

World headquarters for the organization are at Dickens' old home at 48 Daughtry street, London.

Members of the Fellowship Chapters are pledged "to keep through any storm Dickens' love of humanity, his fiery indignation against wrong, and his glowing faith in human freedom."

This year, the Sierra Madre chapter will read David Copperfield.

Storkland

Christopher Michael Carlson arrived at St. Luke Hospital, October 5, weighing, 7 lbs., 15 ozs. His parents are Mr. and Mrs. Kenneth E. Carlson of 277 Ramona.

The infant was named for Mrs. Carlson's grandparents.

A daughter was born October 5, at Huntington Hospital, to Mr. and Mrs. Harold R. Sanders of 471 San Gabriel Court.

Mr. and Mrs. Kurt Goldstrom, 420 E. Highland, are the parents of a baby girl, Leslie Robin, born Sept. 30 at St. Luke's Hospital. The infant has a big brother, Foster, who is 5 years old.

Mr. and Mrs. William R. Mullevay of 53 E. Laurel, became parents of a daughter, October 4, at St. Luke's Hospital. She is Martha Ann Mullevay and arrived weighing 6 lbs., 11 ozs. Mr. and Mrs. Mullevay have another daughter, Nancy 3½ years.

Martha's maternal grandparents are Mr. and Mrs. Hall Perry of 118 East Laurel.

WEBER'S CLEANERS

TO OPEN NEW PLANT

A new, modern plant will be opened this Saturday, 12:30 p. m., by Weber's Cleaners and Dyers.

Located at 140 S. Rosemead boulevard, Pasadena, the new building incorporates the latest developments for dry cleaning and the storage of furs.

Owner Weber has been in the cleaning business since 1937, when he was first located on Fair Oaks avenue. Weber's Cleaners and Dyers has been at its present location for the past three years.

P-TA Meets October 20

Results in the Sierra Madre Parent-Teacher Association's current Membership Drive will be announced at the next P-TA meeting Thursday, Oct. 20, at 7:45 p. m.

Final plans for the Halloween Carnival, to be held Saturday evening, Oct. 29, also will be discussed.

Sierra Madre School Principal Charles Skutt will address the Association, telling "Facts about Our School," and Miss Dorothy Dadds of the League of Women Voters will speak briefly on Propositions 1 and 2 in the November election.

Refreshments will be served by the Teachers' Club.

ST. RITA'S DEFEATS

ASCENSION SCHOOL

St. Rita's Parochial School was victorious in a football game with Church of the Ascension Day School, Oct. 5, at St. Rita's Playfield. They played six-man "two-hand touch," and the final score was 25-6.

Fr. Harold Leach of St. Rita's reports that additional school games are planned for this fall.

The lineups were:
ST. RITA ASCENSION

School Board

OK's Room Use

At a meeting of the School Board Tuesday night, permission was granted the Sierra Madre Heavy Mortar Company of the California National Guard to use several classrooms of the School on Monday evenings.

Capt. Sanford Ullman, commanding officer of the local unit, had requested use of the rooms for special training courses his Guardsmen are now undertaking.

The Board of Trustees also officially declared Monday, Oct. 17, a holiday for the school. Faculty members will attend a Teaching Institute in San Marino on that day.

CONVALASCING

Mrs. F. Andrew Hall of 611 West Grandview, is recuperating at her home following an operation last Tuesday at the Huntington Memorial Hospital.

LEGAL NOTICE

Ordinance No. 498

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, AMENDING SECTION 14 OF ORDINANCE NO. 469, OF THE CITY OF SIERRA MADRE, ADOPTED JANUARY 27, 1948, RELATING TO THE SUB-DIVISION OF LANDS IN SAID CITY.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, CALIFORNIA, DOES ORDAIN AS FOLLOWS:

SECTION 1. That Section 14 of Ordinance No. 469 of said City of Sierra Madre, entitled, "An Ordinance of the City of Sierra Madre establishing in said City rules, regulations and standards for the subdivision of land and for the preparation and presentation of subdivision maps, and providing penalties for the violation thereof," adopted January 27, 1948, be and the same is hereby amended to read as follows:

"Section 14. (a) Whenever an owner seeks to divide or subdivide any land, improved or unimproved, or any portion thereof, shown on the last preceding tax roll as a unit or as contiguous units, into four or less lots or parcels and such parcels when so divided do not meet the minimum frontage and area requirements for lots set forth in this ordinance or in any existing zoning ordinance of the City of Sierra Madre, such owner shall prepare and file with the Planning Commission a written application signed by the owner setting forth the following information: (1) the name and address of the owner, (2) the legal description of the land proposed to be divided or subdivided, (3) a statement as to the easements thereon, and (4) such other information as the owner may desire to present, together with a plot plan, or map, showing the original lot or parcel of land as shown on the map of record and the lots or parcels of land into which said original lot or parcel of land is proposed to be divided or subdivided. If the Planning Commission finds that the parcels so proposed to be divided equal the average frontage and area of adjoining lots or recorded parcels of land, and/or determines that the division or subdivision of such real property does not injuriously affect the neighborhood wherein said real property is located, the Commission shall authorize such division or subdivision. The Planning Commission may refer any such application for the division of real property to the City Engineer of the City of Sierra Madre for his recommendations and if any such recommendation or recommendations be adopted by the Commission and made a condition of the granting of any application the Commission may require the owner to furnish a surety bond in the sum equal to the cost of the work or improvement involved in any such recommendation as estimated by the City Engineer to guarantee the faithful performance of such work or improvement. In lieu of the bond above specified a deposit of money in the same amount may be made with the City Clerk or a responsible escrow agent approved by the City Council.

(b) No building permit shall be issued by the Building Superintendent of the City of Sierra Madre for any building or structure to be located upon a parcel of land not shown as a separate and distinct lot on the map of record of the subdivision of the tract in which such parcel is located, nor on a parcel of land not fronting or

abutting on a public street or having access to such street over a private street or easement of record provided that whenever in the opinion of the Planning Commission such parcel is of such size or shape or is affected by such topographic conditions or is to be devoted to such use that it is impracticable in the particular case to conform fully to the regulations of this section the Commission may modify such regulations.

(c) No lot or parcel of land held under separate ownership at the time this section became effective shall be separated in ownership or reduced in size below the minimum lot width or lot area required by any applicable zoning or other ordinance of the City of Sierra Madre nor shall any lot or parcel of land held under separate ownership at the time this section became effective and which has a width or an area less than is required by such ordinance be further reduced in any manner. No portion of a lot, necessary to provide the required area per dwelling unit, shall be separated in ownership from the portion of the lot upon which the building containing the dwelling unit or units is located. Provided, however, that where building site areas vary from the aforesaid minimum requirements the Planning Commission, upon its own motion or by application of a property owner or owners, shall ascertain all pertinent facts and determine what, in the face of such facts, would constitute the greatest adherence to the standards and purposes of this ordinance and to effect and approve such adjustment as it pertains to specific property as the Planning Commission may deem advisable."

(d) It is not the purpose of and this Section does not attempt to regulate subdivisions as defined in the Subdivision Map Act, or in the California Real Estate Act, being Sections 11000 to 11658 of the Business and Professional Code of the State of California, and is intended only to regulate the division and subdivision of four lots or parcels of land, or less.

SECTION 2. That said Ordinance No. 469 shall be and the same is hereby amended as hereinabove in Section 1 of this Ordinance set forth.

SECTION 3. The City Clerk shall certify to the adoption of this Ordinance and prior to the expiration of fifteen (15) days from the passage thereof, shall cause the same to be published once in the Sierra Madre News, a newspaper of general circulation, published and circulated in the City of Sierra Madre, and thirty (30) days from and after the final passage thereof said Ordinance shall take effect and be in force.

I HEREBY CERTIFY that the foregoing Ordinance was adopted at an adjourned regular meeting of the City Council of the City of Sierra Madre, held on the 3rd day of October, 1949, by the affirmative vote of at least three Councilmen, to wit:

A YES, Councilmen Kinney, Nuetzel, Steinberger.

NOES: None.

ABSENT: Councilmen Barter, Korsmeier.

Bluebonnet Girls
Entertain Mothers

The Bluebonnet group of the Camp Fire Bluebirds entertained their mothers yesterday afternoon at the home of the Bluebird Leader, Mrs. E. W. Carver of 527 East Montecito.

Other guests present were Mrs. Florence Wood of the Pasadena Camp Fire Office, and Mrs. C. Lauren Maltby of the local Council.

As an added surprise the girls presented their mothers with specially made gifts, singing and games.

The Reception committee included: Patricia Stetson, Shirley Wodrich, and Cindy Stinton; Serving, Kathleen Sauter, Andrea Imus, and Judith O'Neill; Food, Susan deClercq (Bluebonnet President) Gail Ann Higgins and Rita Bonney, Secretary; Flowers, Jana Rudbach (Treasurer), Ruth Vejar and Katharine Schwartz; Program, Betty Lou Seaholm, Carol Hart and Olivia Salzar.

Catholic Nuptials
In South For
Bernard Wynne Jr.

Leslie Bernard Wynne, Sierra Madre artist, will take Lorene Marie Gouaux of LaFayette, Louisiana, as his bride, in a 10 o'clock morning ceremony, October 15, at the Cathedral of St. John the Evangelist at LaFayette.

The groom's parents, Mr. and Mrs. Leslie B. Wynne of 273 Sturtevant Drive, left by car Tuesday to attend the ceremonies. The groom's brother and family, Dr. and Mrs. Thomas Wynne and daughter, Catherine, left last week for Louisiana, due to the illness of Mrs. Wynne's father. It is doubtful whether young Dr. Wynne can be away from his practice here long enough to attend his brother's wedding.

After the nuptials, Mr. Wynne will bring his bride to Sierra Madre, and they will live at 188 Santa Anita Court.

Study About Japan

Foreign Missionary Society members of Nazarene Church will meet at 7:30 tonight (Oct. 13) at the Beeson home on Oxford street, Pasadena.

Their new topic of study will be from the book "Japan, Now."

Health Dept.
To Immunize

Pupils of Sierra Madre's three schools may receive diphtheria immunization shots this week and next when the Los Angeles County Health Department launches its annual immunization program in schools of the County.

First local school to be visited by the team of County doctors and nurses will be the Sierra Madre Elementary School, whose students will be immunized tomorrow, Oct. 14. On Wednesday, Oct. 19, Church of the Ascension Parish Day School and St. Rita's Parochial School will be visited by the Health Department.

Most Health officials recommend that first diphtheria immunizations be given when children are six to nine months old.

A booster immunizing dose should be repeated every two or three years until the child reaches the age of 10.

Dr. Mary E. Seddon, Monrovia district health officer, pointed out that this schedule usually affords sufficient protection, and additional immunizations should not be necessary.

Preschool children who did not receive this protection as babies should have the first diphtheria immunization now, the health officer said.

As some schools do not keep records of children's immunizations, parents of all school children in the lower grades are sent consent slips to be signed and returned if the service is needed.

"If parents do not remember just when their children were last immunized, or are in doubt as to whether they have been properly protected, we urge that it be done now," Dr. Seddon said.

Coolidge Plant Owners
Move Into New Home

Establishing a new Sierra Madre residence this week are Mr. and Mrs. Jerome Mulvihill, owners of the Coolidge Rare Plant Gardens Nursery in Pasadena.

Their beautiful new home, which is located at 280 N. Hermosa, was completed during the latter part of August. Mr. and Mrs. Mulvihill moved in last week, following a summer vacation spent at Carmel, California.

GETTING UNDERWAY—The "Genepesca I" is launched in the Free Territory of Trieste shipyards, the first of six ocean-going fishing ships to be built with Marshall Plan help. An Italian fishing company will use it to fish in the waters off Newfoundland, the catch to be processed for Austrian and German markets.

Edmund Ledyard's Wife, 'University of Scouting'
Daughter, Visit in East Stages First Session

Edmund J. Ledyard, NEWS compositor, reported this week that his wife, Mahala Ledyard, and daughter, Alice, and granddaughter, Mahala, left Thursday night on a vacation trip to Paris, Illinois.

After visiting with relatives there, they will return to California, stopping briefly at Des Moines, Iowa, and Omaha, Nebraska. Ledyard and son, Edmund, will meet the returning travelers in Las Vegas. All plan to be back in California Sunday, October 23.

3 GIRLS BORN ON
MARIPOSA AVENUE

Within a week the stork brought three girls to parents on Mariposa avenue. All arrived at St. Luke Hospital.

Mr. and Mrs. T. G. Tessman of 658 Mariposa became parents of a girl Oct. 3.

A daughter was born to Mr. and Mrs. LeRoy Toms, Sept. 28. The Toms live at 265 Mariposa. Lucinda Jane Warden is the new addition (as of Sept. 29) in the Hugh Warden family of 622 Mariposa.

ST. RITA'S ALTAR SOCIETY

Members of St. Rita's Altar Society met last Tuesday at the School Hall of the Church. The business meeting centered around plans for a Halloween party.

Edmund Ledyard's Wife, 'University of Scouting'
Daughter, Visit in East Stages First Session

First of four successive Wednesday night "University of Scouting" training sessions for scout leaders was held last night at the McKinley Junior High School auditorium, 325 S. Oak Knoll, Pasadena.

Intended to provide training in every basic Scouting subject, a highly-qualified speaker each night, and promising fellowship and scout "know how," the University will hold sessions Oct. 19, 26, and Nov. 2. Sierra Madreen Edward A. Davey is leading a class in Merit Badge Counseling during the four-week series.

Allene Haley Gets
Rotary Award

Allene Haley of Sierra Madre was one of 56 Wilson Junior High School students receiving a Rotary Award for the spring semester of 1949. These awards are given for scholarship, responsibility, self-direction and school spirit.

CAVENDERS DEPART

Mr. and Mrs. S. C. Cavender and family leave this week for their home in San Antonio, Texas. For the past month, Mrs. Cavender has been visiting her sister, Mrs. Lawrence Appleford of 395 Mariposa, Mr. Cavender joined them last week for a brief visit.

MID-CENTURY STYLING—Slim lines in bulky fabric are achieved through faultless tailoring by a famous Paris designer from her mid-century collection. Sweeping capes that screen each narrow sleeve give dramatic emphasis to the simple fitted jacket that tops an equally simple tubular skirt.

Chaucer Expert
Addresses Group

Dr. Ray Pease of Churchill Drive lectured on "The Canterbury Tales" of Geoffrey Chaucer, Thursday evening, before two dozen guests at the home of Mr. and Mrs. Albert T. Barlow, 361 East Sierra Madre boulevard.

Dr. Pease, a teacher at the University of Ohio for over 20 years, has degrees from Harvard and Wisconsin University. His specialty is Chaucer and middle-English, and feels that the actual pronunciation of the early English of Chaucer's time is essential to a greater appreciation of his work.

The Doctor recently lectured on Masonic English before the Sierra Madre Lodge.

Cover 1600 Miles

On Motor Trip

Edward Voorhees of West Mira Monte, and his sister, Mildred Shaw of Annandale, returned Friday from a week's motor trip through Northern Arizona, Utah, Nevada, the Mojave Desert, the Navajo Reservation and the Painted Desert. They visited, en route, the south and north rims of the Grand Canyon, the Kaibab Forest, Bryce Canyon, Zion Canyon, concluding with a six-hour stop in Las Vegas.

The 1600-mile trip was climaxed by traveling 100 miles in a sandstorm, from Baker to Victorville.

NROTC Entrance

Tests Announced

Annual competitive tests to select approximately 2000 applicants for the Naval Reserve Officers' Training Corps college program will be held in 550 cities in the United States and its territories on Dec. 3. Applications must be filed prior to Nov. 12.

All male high school seniors and graduates between the ages of 17 and 21 are eligible to apply for the program.

AUXILIARY MEETS
IN ARCADIA

An American Legion Auxiliary business meeting will be held at 8 o'clock tonight (October 13) at the home of Mrs. Wayne Beisell of Arcadia.

Members are planning to meet at Pickett's Service Station at 7:30 for transportation to the meeting.

Plan Flower Show

The Women's Society of the Congregational Church plans to hold its Annual Flower Show and Christmas Bazaar, November 4, at Pritchard Hall.

All residents are invited to participate in the exhibit of flowers, potted plants, flower arrangements, fruits and vegetables, according to Mrs. William Burr, general chairman.

St. Rita's School—Grade 5

"WHY SIERRA MADRE NEEDS A NEW SWIMMING POOL"

Sierra Madre needs a new swimming pool because the old one built in 1927 is too far away, too small, and needs too much repair.

Young children can hardly ever get up to the Canyon to make use of the pool. There is no street up near the pool and the children have to walk on the road on which cars go up and down most of the day.

There is no way of heating the water and so it is too cold to swim in for two or three days after the water is changed. The sun shines on the water for about two hours and then it is shady, due to the shadows cast by the trees on the hill above the road. There are not enough lavatories and the dressing rooms do not have enough light in them.

Outside the fence near the baby pool, it looks like a city dump. There are papers, cans and broken bottles scattered all over. The parents have no place to sit and watch their young ones unless they pay to go in. This is often inconvenient or impossible. Mothers should be able to see their children in the pool, after they go to all the trouble of getting them there.

We learned from a visit to the Chamber of Commerce that the pioneer residents of Sierra Madre worked hard to provide the first swimming pool in 1926. When that first one was ruined by a flood, they built this present one in 1927. Sierra Madre then had a population of twenty-five hundred. Now, in 1949, we are more than seven thousand! What they built twenty-two years ago for two thousand people, surely is not large enough now with nearly three times as many people! Yes, we do need a new pool—larger, cleaner, and more centrally located.

Muir Plans
U. N. Week

"United Nations Week" will be celebrated Oct. 17 to 24 at John Muir College.

According to Dr. Harold Hansen and his student council for international understanding, the observance will take on the proportions of a campus-wide project extending its activities from the classroom to the football field.

A half-time pageant honoring the UN will take place at the Rose Bowl Muir vs. Taft game, Friday, Oct. 21; an art exhibit of posters and displays will be presented at the College; and a special color edition of the Blazer, school newspaper, has been scheduled to feature UN activities.

Local Delegates

Set for Kiwanis

District Confab

Sierra Madre Kiwanis Club will be represented at the 1949 Convention of the California-Nevada Kiwanis District, to be held at Long Beach Municipal Auditorium, Oct. 23 through 26, Club President Earl Gossard announced Tuesday.

More than 225 clubs, embracing a membership of 15,000 business and professional men, are expected to send delegates to the 4-day meeting.

Sierra Madre delegates at the Convention will be President Gossard, Jim Spencer, 1950 president-elect, and Charles Klunk. Several alternate delegates, as well as other club members, also plan to be present at the conference.

CALIFORNIA'S ART TREASURES—Largest showing of this State's historic art ever assembled in one place is now ready for California Centennials Exhibition of Art which runs September 30 through November 13 at Los Angeles County Museum. Here Arthur Woodward, Museum's Chief Curator of History who traveled throughout State to arrange the showing, hangs an oil painting of Mission Dolores painted by William Keith in 1870's. Picture is among treasures loaned by the Society of California Pioneers, San Francisco.

John Muir Newcomers

Enjoy 'Hospitality Day'

More than 560 John Muir College freshmen and several hundred campus newcomers recently participated in the traditional "Club Hospitality Day," when the forty-odd student non-restrictive clubs held open house and extended an invitation to all to join the club of their choice.

The recruiting and welcoming program was staged under the direction of Don Kessler, club commissioner, his Interclub Council, and Mrs. Gladys Edwards, dean of student activities.

RETREATS WITH PASTORS

Rev. Orian Burlison of the Sierra Madre Nazarene Church, spent three days last week at the Pastors' Retreat in Forest Hills, Calif.

MENTAL STIMULUS

"A comparative study of Government and State figures reveals that some of the WETTEST sections of the country report the largest differences between the number of STATE LICENSED LIQUOR places and the number holding the FEDERAL RETAIL LIQUOR STAMP.

"In wet California there are apparently 22,464 more holders of the Federal retail liquor dealer tax stamp than there are state retail licenses." . . . "a minimum of some 93,000 in the country." Listen—Oct.-Dec. Issue Repeal bootleggers!!
—HARTER W.C.T.U.

Past Reviewed

In Editions of
Old Newspapers

J. H. Yates, 730 Fairview, has an unusual collection of old newspapers.

Among the ancient editions, which Yates said he inherited several years ago, is an issue of the first newspaper to be printed in San Francisco after the disastrous earthquake of 1906.

To make possible this first "back to normal" edition of the San Francisco Chronicle, it was necessary to construct two buildings, and ship all the required machinery from the East.

Another unusual collector's item is the July 7, 1898 edition of the San Francisco Weekly Chronicle. In this paper, accounts of American Commodore Schley's victory over Admiral Cervera at Santiago during the Spanish-American War are given dominant display.

Yates said that at one time, his collection included the first newspaper printed in Oregon in the year 1844.

Writer Tells
About Magic
In Ribbons

By Marcelle B. Carlson

Now that Fall is just around the corner, every fastidious woman is on the lookout for some one thing to make her wardrobe just a wee bit different at little expense.

I suggest you take a look at the various ribbon counters. Here is what you will see: multicolored ribbons various width, checks, plaids, dots, and soft velvets that crush easily and make beautiful cummerbunds (girdles) for around the waist of dress skirts or evening gowns.

Select two shades of ribbon of various widths and twine them together about the waistline of that basic dress for that extra chic something. See how it perks up; or I suggest a doublet of two widths of ribbon, perhaps a pale aqua and canary yellow combination. Place these one on top of the other around the neck and crosswise at the throat.

Fasten these ribbons together at the cross with some lovely old pin or perhaps a cluster of pearls sewn to make a clever little design.

Then, too, there is a bit of sassy expression for the young teenager who loves to be in the know when she dresses in peddle pushers or a trim skirt for special dates. Take three ribbons, complementing the tailored blouse or jersey you're wearing, and fasten them together in the rear. Tie them around the throat and let the ends fly where they may. This looks very gay and especially well with tailored soft wool frocks.

For the evening or luncheon date when you are wearing a princess line dress which needs something to improve its waistline, try a colorful nosegay, not too large in size, backing it up with a fine big bow of contrasting ribbon use the narrow width around the waist, and accent the sidefront with this little creation of flowers tucked into the bow.

The pique edged ribbon in taffeta fine grosgrain or water silk is very good for this arrangement and it will be elegant also at the throat if you're wearing the popular low décolleté. Remember when wearing colors next to the skin they must complement your coloring and make you look charming and alive.

Ribbon counters will be doing a vast business but don't forget to look for the unusual in color combinations, textures and novel weaves. This will make your ribbon accessories individual.

SENIORS AT
EASTERN SCHOOLS

Jane Hawkins, 23, left Thursday for her graduate year at Columbia University, New York, where she is a Social Science major. She is rooming at the International House.

Her brother, Bill, 22, is a physics major in his final year at Dartmouth, N. H. Their parents are Mr. and Mrs. Murray W. Hawkins of 610 North Auburn.

Friendship Center

Sale Clears \$70

Mrs. Alice Sedgman, president of the Sierra Madre Community Friendship Center, this week announced that approximately \$70 was cleared in her organization's "Village Fair," held Oct. 3 at the Parkhouse.

In pronouncing the sale a "success," Mrs. Sedgman said plants, needlework, flowers, and home baking were sold.

Funds obtained from the sale will help defray expenses of the Friendship Center during the coming year.

Archbishop of York
At Hollywood Bowl

Second ranking Prelate of the the Anglican Communion addressed the Service of Thanksgiving in the Hollywood Bowl, Sunday, Oct. 9, at 3:45 p. m.

The Most Rev. and Right Honorable Cyril Forster Barrett, D. D., Archbishop of York, Primate of England and Metropolitan, was in Los Angeles concluding a long series of speaking engagements from coast to coast.

Sunday's service in the Hollywood Bowl, sponsored by the Episcopal Diocese of Los Angeles was intended for all Christian people of the area.

FAMILY PSYCHOLOGY
LECTURES OFFERED

Fourth in a series of five lectures by Dr. Barney Ketz on the "Psychology of Family Life" will be given tonight, Oct. 13, at 7:30 p. m. in the Monrovia-Arcadia-Duarte High School Auditorium.

More than 600 persons attended the opening lectures two weeks ago. Officials of the Evening High School described the free lectures as being "very timely and offering the latest information on dealing with problems of the family."

Some of the subjects being discussed are infancy and childhood, adolescence, personal mental hygiene, sex education, and marriage.

PCC Student
Now Teaches

Sierra Madrean Jack Toothaker at Pasadena City College from 1934 to 1936, is now teaching a course in toolroom management and stock control in the School of Engineering and Technology at PCC.

During his years of schooling, Toothaker majored in mechanical technology under the leadership of Edward D. Cornelson, then department chairman, and Oscar L. Heald, a former teacher.

Upon graduation, he was placed with the United States Electrical Manufacturing Company of Los Angeles, where he worked for three years.

For the next eight years, he was employed with the Lockheed Aircraft Corporation in Burbank. For the last two years, Toothaker has taken great interest in building and home construction.

He resides with his wife and daughter at 284 W. Carter street.

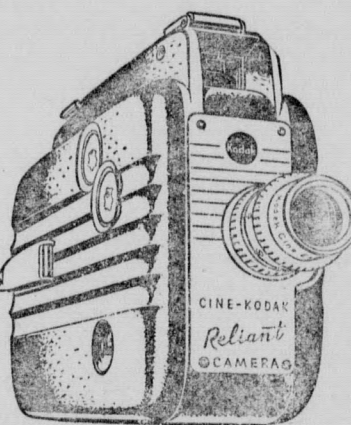

FINAL RITES FOR

SISTER OF

"PAPPY" WELCH

Mr. and Mrs. Ralph M. Welch of 590 W. Sierra Madre Blvd., returned Friday from San Francisco, where they attended the funeral of Mr. Welch's younger sister, Mrs. Emma Maude Cilvic.

Mrs. Cilvic died Saturday, October 1, after a lengthy illness. Services were held October 6.

Shades of Yesteryear

40 YEARS AGO
October 10, 1909.

A new record has been set for the ascension of Mt. Wilson, this time by an auto. The machine was an Oldsmobile driven by Earle A. Maginnes of Pasadena, and the trip was made last Sunday. The thirty-horse power machine carried four persons, showing that it was not traveling light, nor in racing trim.

The Pasadena Ice Company has purchased from A. D. Hawks two lots facing on LaBelle avenue and extending back to the Pacific Electric right of way. It is understood to be the intention of the ice company to establish on this ground a branch plant.

25 YEARS AGO
October 14, 1924.

Dr. Robert A. Millikan, president of the California Institute of Technology, will be the speaker of the first Fall meeting of the Men's Community Club in the Congregational Church Thursday evening, Oct. 16. Dr. Millikan is an elegant speaker and one of the foremost speakers of the world.

As an aid to bringing more careful observance of school stops, the signposting department of the Automobile Club of Southern California is erecting school crossing signs at various parts of the city. Under present regulations, the school stops are operative all day and night, Sunday and holidays as well.

15 YEARS AGO
October 11, 1934.

After nearly a year of construction work under both CWA and SERA administration, the extension of West Central avenue, from Sierra Madre to Walnut street in Pasadena was this week opened to traffic.

A prize essay contest open to every grammar school boy and girl in Sierra Madre is being conducted by the volunteer fire department during Fire Prevention Week, Oct. 6-13, in order to fully impress both pupils and their parents with the vital importance of fire prevention precaution.

Many Entries In For 1950 Parade

A total of 48 entries have already been received for the 1950 61st Annual Tournament of Roses Parade, John H. Biggar, parade chairman said this week.

Biggar predicted that next year's parade will have more cities represented than any other parade in the Tournament's colorful history. Ten commercial floats have already been selected he said, and this division is now closed.

Shugerts Buy Home

Mr. and Mrs. Charles Shugert are among the new residents to be welcomed in Sierra Madre, together with their family, Bob, Tim and Susan.

Having sold their home in Pasadena, they purchased the new residence just completed at 360 Ramona Ave. Mr. Shugert is the owner of the Shugert Tire and Appliance Co. on Huntington Drive in Arcadia.

Presenting a comparison in magnitude and smallness of television tubes is lovely Leda Davis, promising new television star, pictured in the framework of a 19-inch tube. She, along with other outstanding television performers, will play an important part in the forthcoming National Television-Radio Exposition slated for Shrine Convention Hall, Los Angeles, October 15 to 23.

Several 'Ifs' Presented In Fireman's Fund

A complete set of chromium steel plastic upholstered furniture.

This is what City volunteer firemen will have for their clubroom—if...

Francis Eakman, sponsor of the Fireman's Furniture Fund Drive, now in its seventh week, supplied several "ifs":

1.—If the citizens of Sierra Madre get solidly behind the campaign. No contribution is too small, he emphasized.

2.—If everyone does his part in showing appreciation of an unpaid, highly efficient department of volunteer firemen who protect our homes 24 hours a day against the ever-present fire hazard.

3.—If all residents realize that present facilities in the City Hall Clubroom—the only place in town that really belongs to the firemen—are terribly run-down, inadequate, and a disgrace to the city.

Eakman said money for the new furniture is coming in "very gradually," but at a rate that makes the \$500 goal seem impossible of attainment.

As of Tuesday, only slightly more than \$320 had been brought into the NEWS office.

KIWANIANS VIEW SPORTS PICTURE

At last week's regular meeting of the Kiwanis Club, members and friends viewed a motion picture, "Cavalcade of Sports."

Presented by Harry Lange, the film showed interesting action shots of the major American sports. Billy Dane, Sierra Madre Elementary School pupil, served as projectionist for the day.

Kiwanians were urged to attend at least one session of the California-Nevada Convention of Kiwanis International, to be held at the Long Beach Municipal Auditorium, Oct. 23-26.

A welcome was extended to Noren Eaton on his rejoining the Club. Introduced by Gene Lunsford, Eaton was presented with a "bouquet of flowers" by fellow members.

Hugh Warden and David Roess were congratulated by the Club on the births of their new babies.

Belated Mail From China

Letters from Missionary Nurse Florence Evans written in May and June of this year, were finally received last week by her father, W. A. Evans of 397 W. Montecito.

Miss Evans, who is the sole foreign nurse overseeing the only surviving hospital in Communist-ridden Tsinan, China, has been in the Orient since 1929. Her last trip to Sierra Madre was made nearly three years ago.

According to Mr. Evans, "Her letters were opened but not censored and I judge by the general tone that things are not so good."

Mr. Evans also said that his daughter was one of seven Americans and Britishers remaining in that area. It will be several years before Miss Evans is expected to return home.

New Books At Library

BY ISABEL STRADLEY

"The Mudlark," by Theodore Bonnet, is an enchanting Victorian nostalgia, an adroit and graceful story of a crisis in the declining years of the reign of Queen Victoria.

The novel concerns an appealing little ragmuffin, named Wheeler who was to set the Empire on its ear. He climbs out of the mud and filth of a London slum, and goes off on his own to call upon the Queen. An old sailor on the waterfront had told the child something of English history; the stories were garbled and distorted, but the boy knew of Wellington and Nelson.

It had been impressed upon him also that the Queen was the Mother of England, more-over she also controlled the stars and planets. So he decided to go and have a look at her in her castle at Windsor. It was as simple as that!

Wheeler makes his way to Windsor, and comes ashore there from a coal barge. In dense fog he slips by unnoticed by the sentries, and gets into the castle through a gate left open by a careless porter.

He finds himself in the courtyard, but blinded by the fog, he falls through an open coal hole. This spills him down, down to the cellars of Windsor.

Nothing daunted, he scrambles up, and begins to climb endless stairs. In the end he arrives at the private dining-room of the Queen, hiding behind heavy curtains—but not before he has actually had a look at her, and the lofty room with its crimson silk walls.

Before Wheeler gets out of trouble—he suffers many examinations and indignities, they even give him a bath—the great Disraeli's statecraft was to defend him in the House of Commons, Britain had bought the Suez Canal, and Queen Victoria had come out of retirement.

Other books received at the library are:

NON-FICTION:

Writing for Love or Money, Cousins; The Mature Mind, Overstreet; Creed or Chaos, Sayers; High Jungle, Beebe; Color Movie Making for Everybody, Cook; Applied Lettering and Design, Holub; How to Restore Antique Furniture, Loring; Pruning Book, Wittrock; Fabulous Boulevard, Hancock; North from Mexico, McWilliams; No Matter What Happens, Miller; Dickens, Pearson; Gump's Treasure Trade, Wilson; Thread That Runs So True, Stuart; My Old Kentucky Home, Paul; Death Be Not Proud, Gunther; Lead Kindly Light, Sheehan; Cybernetics, Wiener.

FICTION: West of the Hill, Carroll; Because of the Lockwoods; Whipple; The River Line, Morgan; Call It Treason, Howe; A Martian Odyssey, Weinbaum; Love in a Cold Climate, Mitford; Rest and Be Thankful, MacInnes; Best American Short Stories; Foley; Passionate Journey, Stone; The Egyptian, Waltari; River Journey, Nathan; Victoria Cottage, Stevenson; Road Between, Farrell; The Lily and the Leopards, Harwood.

JUDGE JOHN MEAD REASSIGNED AGAIN

City Judge Mead will continue to carry a double load until the end of the year.

Judge Mead recently was reassigned to the Belvedere Justice Court until Dec. 31, 1949. He has been serving in this court—as well as in Sierra Madre—since January 1 of this year.

The Belvedere court normally is presided over by Judge Marion, who for the past months has been temporarily assigned to the Municipal Court of Los Angeles.

Judge Mead recently ended several weeks' additional service in Judge Moffatt's Huntington Park court.

Postal Receipts

For September

In Meteoric Rise

A meteoric 41 per cent increase in postal receipts was recorded last month by the Sierra Madre Post office.

Comparing September, 1949, figures with those for September of last year, Postmaster Eddie Robertson disclosed that the large increase is a result of very heavy mailing in all classes of mail.

According to Robertson, postal receipts amounting to \$6,330.30 were recorded by the Post Office, as compared with \$4467.10 for September, 1948.

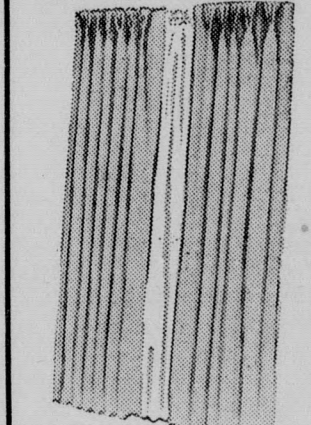

For the July-August-September quarter, an increase of \$2,909.37 or 28 per cent was reported. During this period, \$17,474.14 in receipts was tallied, in comparison with \$13,564.77 for the comparable 1948 quarter.

Breaking these figures down to the actual number of parcels of mail sent through the local Post Office, a 159 per cent increase is revealed. A total of 571,521 pieces of mail were handled during the quarter. The 1948 quarterly figures show 219,896 items of mail cancelled and sent out by the local agency.

"The quarter ending Sept. 30 was the busiest one in our history—except for Christmas season quarters which, of course, always are heavy," Postmaster Robertson said.

The Coconut Grove fire in Boston killed 492 persons. This loss of life was greater than that suffered in the San Francisco earthquake and fire of 1906.

AUTO CLUB'S TRIP OF THE WEEK

VISITING CRYSTAL LAKE

dotted with attractive picnic and camping grounds and the lake offers possibilities galore for those who like to swim and fish. Top and lower photos illustrate some of recreational activities that are available here...

3. The east fork of the San Gabriel River is one of the few remaining primitive areas in California. Angling enthusiasts will find some of the State's finest trout streams in this vicinity...

4. Further along the east fork of the river is Camp Bonita, the site of the old mining camp of El Dorado. The scenery is particularly beautiful here...

5. Mt. San Antonio (Old Baldy), at the tip of San Antonio Canyon, is one of Southern California's most famous peaks. This region is an all-year playground and offers numerous spots for camping and picnicking. Those who enjoy hiking will find a wide variety of trails to explore in this area...

6. The Padua Hill Theater, where plays depicting life in Mexico are given in the Spanish language, is worth a visit...

7. Claremont, home of Pomona and other colleges, is located in the midst of citrus groves and vineyards. Its tree-lined streets and attractive residences offers an ideal setting for this picturesque college town...

Scout Troop Hikes To Henninger Flats

Boy Scouts of local Troop No. 3 hiked to Henninger Flats Saturday.

According to Emmett Black, a leader of the troop, the hike was undertaken to determine possible camping places for their next overnight trip, which is planned for the near future.

KANSAS TRIP

Mrs. Louis Mariotti of 188 Santa Anita Court leaves tomorrow night (Friday, Oct. 14) for Wichita, Kansas. She plans to visit her mother, Mrs. Williams, and will be home by November 1.

Fire Prevention Week, Oct. 9 to 15. Stop Fires! Save Lives!

PLAYHOUSE OFFERS 'HAPPY BIRTHDAY' AS NEXT FALL HIT

"Happy Birthday" is slated for Pasadena Playhouse stage from October 12-23 as the second play entry in the just-opened fall footlight slate.

The humble librarian, inhibited keeper of the city's reading supply, seeks out a secret flame on the pretense of a friendly warning, but soon she becomes a part of the giddy cafe antics. Of a sudden, all the bounds she knew are loosed and the result is a laugh-making batch of comic complications.

Stage and screen actress Mable Albertson plays the role created by Helen Hayes in the long Broadway and national tour runs. Feature of the Playhouse staging will be the effects utilized in aiding Addie in her new life.

STATE SOCIETIES SCHEDULE PICNIC

Annual all-day picnic of the Federation of State Societies will be held Sunday, Oct. 16, at Sycamore Grove Park, according to an announcement by President Edwin J. Miller.

Emceed by Col. Ted Davis of Sierra County, Calif., the program will feature three prominent speakers—Lt. Governor Goodwin J. Knight, Sheriff Eugene Biscailuz, and Supervisor Raymond V. Darby.

Hartman Announces 'One-Cent' Sale Dates

Rehall Drug Company's Fall One-Cent Sale in Sierra Madre will take place Oct. 19, 20, 21, and 22, Rudolph Hartman announced this week.

Featuring the slogan, "Two for the Price of One, Plus One Cent," the sale is expected to be one of the most highly advertised in history.

Civil Service Offers Communications Jobs

The U. S. Civil Service Commission today announced examinations for the following positions: Information Specialist, \$4479 to \$6235 a year; Aviation Safety Agent, \$4479 to \$7432 a year; Airways Flight Inspector, \$5232 to \$7432 a year; and Public Health Educator, \$4479 to \$7432 a year. No written test will be given, but applicants must have had experience in the public communications field for which they apply. Deadline on applications is Oct. 25, 1949.

Paderewski Portrait To Be Unveiled

The Polish-American Social Club and its Junior League of Pasadena, will hold their First Annual Paderewski Ball, Saturday (October 15) at the Alhambra Country Club. Highlights of the Ball will include an unveiling of a portrait of Paderewski, and presentation of the Club Charter commemorating the 10th anniversary of the founding of the Club.

Brown Girls' School Opens Kindergarten

Brown School for Girls, located in Glendora held its first session last Sat. of a new Pre-School and Kindergarten program. Although the school is strictly a girl's school in the elementary and junior high grades, boys also can be enrolled in the pre-school age group. Parents may leave their children between 7 a. m. and 5:15 p. m. Monday through Friday.

LEGAL NOTICE

CITY OF SIERRA MADRE, STATE OF CALIFORNIA NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received at the Office of the City Clerk, City Hall, City of Sierra Madre, California, until 8 o'clock P. M., on October 25, 1949 at which time they will be publicly opened and read, for performing work as follows:

City of Sierra Madre for the improvement of Baldwin Avenue from Orange Grove Avenue to Highland Avenue by the construction of

1. 2130 L. F.—36" Reinforced Concrete Storm Drain—1350 lb. "D" Load.
2. 70 L. F.—24" Reinforced Concrete Storm Drain—1500 lb. "D" Load.
3. 55 L. F.—18" Plain Concrete Storm Drain.
4. 16 L. F.—12" Plain Concrete Storm Drain.
5. 8 Each—Catch Basin No. 6.
6. 12 Each—Junction Chamber No. 2.

No bid will be received unless it is made on a proposal form furnished by the City Engineer. Each bid must be accompanied by (cash, certified or cashier's check, or bidder's bond) made payable to the City of Sierra Madre for an amount equal to at least ten (10) per cent of the amount bid, such guaranty to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract.

In accordance with the provisions of Chapter 397, Statutes of 1931, the City Council of the City of Sierra Madre has ascertained the general prevailing rate of wages applicable to the work to be done as follows:

Classification	Rate per Diem
Asphalt Plant Engineer or Foreman	\$16.96
Asphalt Plant Fireman	16.00
Asphalt Raker and Ironer	14.16
Boxman or mixer box operator (Concrete or asphalt plant)	14.96
Concrete or Asphalt Spreading, mechanical, tamping or finishing machine operator	16.96
Drivers of dump trucks (less than 4 yards water level)	13.20
Drivers of dump trucks (4 yards but less than 8 yards water level)	13.36
Drivers of dump trucks (8 yards but less than 12 yards water level)	13.76
Fine Grader	13.36
Flagman	12.56
Laborer	12.56
Motor patrol operator, including any type of power blade	18.00
Operators and tenders of pneumatic and electric tools, vibrating machines and similar mechanical tools not separately classified herein	14.16
Roller Operator	16.56
Tractor operator, bulldozer, tamper, scraper or drag type shovel or boom attachments	16.96
Any classification omitted herein not less than	12.56
Foreman, not less than \$1.00 per day more than the rate for craft involved.	
Overtime, legal Holidays and Sundays—time and one-half.	
The per diem wages listed above are based on the customary 8 hour working day and when less time is worked per day the amounts paid shall be the pro rata of the amounts listed above.	
All bids are to be compared on the basis of the City Engineer's estimate of the quantities of work to be done.	
No bid will be accepted from a Contractor who has not been licensed in accordance with the provisions of Chapter 791, Statutes of 1929, as amended.	
Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the City Engineer, City Hall, City of Sierra Madre.	
The special attention of prospective bidders is called to the "Proposal Requirements and Conditions" annexed to the blank form of proposal, for full directions as to bidding, etc.	
The City of Sierra Madre reserves the right to reject any or all bids.	

CITY OF SIERRA MADRE,
L. FREDERICK PACK,
City Engineer.

Dated September 27, 1949.
Pub. 9-29; 10-6,13.

EATON PROTESTS 'DOUBLE CHARGE'

A letter from Noren Eaton complaining about an alleged double charge for janitor's service at the Parkhouse was read by the City Council Tuesday night and referred to the Park Department.

In the letter, Eaton said a \$3 charge is levied against night users of the Parkhouse for caretaker J. C. Lauber's "unlocking the door and cleaning up" on his own time.

Eaton said this service should be paid for out of the 13 cents on each \$100 assessed valuation that taxpayers now pay for maintaining the Parkhouse.

He also asked that keys to the Parkhouse be made available at the Police Station for responsible persons using the Parkhouse. This could be done, he said, in much the same fashion as it is now done at the Youth Hut.

LEGAL NOTICE

NOTICE OF INTENDED SALE

NOTICE IS HEREBY GIVEN: That John J. Wysocki, Vendor, whose address is 405 Churchill Rd., in the City of Sierra Madre, County of Los Angeles, State of California, intends to sell to Maud M. Maud M. Malloch,
Mortgagee.
Pub. 10-13.

Guinn Earns Ph. D. Degree

Vincent P. Guinn, son of Mr. and Mrs. Walter C. Guinn of 19 Cypress Court, recently received his Doctor of Philosophy degree in physical chemistry from Harvard University. He has now returned as research chemist in the Physics Department of the Shell Development Company, Emeryville, Calif.

During the war, Dr. Guinn worked at the Emeryville plant carrying out research on Army and Navy contracts. When the war ended, he entered Harvard and studied under the famous physical chemist, Professor George B. Kistiakowsky, one of the leading men in atomic bomb research.

Dr. Guinn attended John Marshall Junior High School and Pasadena Junior College before entering the University of Southern California. At P. C. C. he received Administrative Honors, was made a life member of Alpha Gamma Sigma, and was Senior Valedictorian. At U. S. C. he was elected to Phi Beta Kappa, Phi Lambda Upsilon, Phi Kappa Phi, Phi Delta Kappa, and Sigma Xi. He received his A.B. and M.S. degrees in chemistry and also his California State General Secondary Teacher's credential.

Dr. Guinn, his wife, Thora, and their children, Cheryl and Terry, will soon reside at their new home near Concord, Calif.

Council Receives Dead Animal Disposal Offer

The City Council Tuesday night referred to the Police Committee a letter offering the San Pedro Commercial Company's dead animal disposal service.

Signed by C. A. Hanson, the letter said such a service for the pickup and disposal of dead animals in municipalities within L. A. County was being contemplated.

Every 36 seconds, fire breaks out in the United States. Every 1½ minutes, an American dwelling catches fire. Every 50 minutes, a person dies in a fire or from burns.

Dated this 1st day of October, 1949
Stoddart & Guthrie,
By Wm. A. Stoddart.
Pub. 10-13.

Fire Prevention Week Explained To Kiwanis Club

At Tuesday's meeting of the Kiwanis Club, Fire Chief Jim Heasley told members some of the history and importance of Fire Prevention Week, being observed Oct. 9 to 15 throughout the United States.

Heasley explained that this particular week in October, annually is indicated as Fire Prevention Week in recognition of this country's worst fire disaster—the Chicago Fire of Oct. 9, 1871.

The Sierra Madre Chief said many people ask him why prevention of fires should be emphasized during only one week of the year. He said that although precautions should be exercised throughout the year, a specific week is set aside to focus the public's gaze on staggering fire losses.

"No nation can afford to squander natural resources, not to mention human lives," Heasley said.

Also taking part in the Fire Prevention Week program were Ranger Leslie McCloud and Assistant District Ranger M. R. James.

After presenting statistics on Sawpit and Ruby Canyons, Ranger James emphasized that fires are an expense to every citizen, if not directly, then through an increased tax rate.

Ranger McCloud presented a color motion picture, "Lifeblood of the Land," filmed by the U. S. Forestry Service.

The movie stressed the importance of water, forest, and watershed areas in maintaining the strength of this nation.

During the meeting Knox Hager was elected to serve as a Board member in 1950. He will succeed Capt. E. G. Everett, whose resignation was received by the Board at its last meeting.

Hager submitted a report of his attendance at last week's meeting of the Coordinating Council.

Only guest at Tuesday's Kiwanis meeting was John Conzelman, newly-elected president of the Coordinating Council. He was introduced by Gene Lunsford, immediate past-president of that group.

Council Chambers 'Loan' Authorized

Permission Tuesday was granted the Sierra Madre Community Nursery School Association to use the Council Chambers for a Board of Trustees meeting on the night of Oct. 25.

Elizabeth Steinberger, secretary of the Association, said it was understood that the City Council would not be meeting on that particular Tuesday night, most of the Councilmen having indicated plans to attend the League of Municipalities Convention in San Francisco.

Overflowing Fuel Oil Causes Furnace Flash

A flash fire Tuesday evening at the home of E. M. Karl, 579 E. Sierra Madre Blvd., "sooted up" the walls of one room, but caused little other damage.

Karl reports that fuel oil in his furnace overflowed, and when he lit the furnace, it ignited causing a big flash.

The small blaze, which occurred at 7:22 p. m., had already been extinguished when City Firemen arrived.

HAWKINS' ENTERTAIN

Two "end-of-the-season" barbecues were given last week end at the Murray W. Hawkins home, 610 N. Auburn. Guests Saturday night were: Mr. and Mrs. Oliver Northcote and Mr. and Mrs. Colin W. Timmons of this city and Mr. and Mrs. Earl Hupp of Arcadia. Sunday evening visitors were: Mr. and Mrs. Paul Hunter and Mr. and Mrs. Steadman Smith and Mr. and Mrs. Byron Hill, all of Los Angeles, and Mr. and Mrs. Earl Morris of Sierra Madre.

Fire Prevention Week, Oct. 9 to 15. Stop Fire! Save Lives!

John Muir Patrons Plan Screen Tours

In order to better acquaint persons in this area with conservation problems, and at the same time enlarge their scholarship and student welfare fund, the John Muir College Patrons' Association soon will present the first series of Audubon Screen Tours ever to be given in Pasadena.

Featuring all-color motion pictures by America's outstanding out-of-doors lecturers, the first tour will be presented Thursday, Nov. 3, at 7:45 p. m. in the Rufus Mead Auditorium.

Patience Requested Of Checkless GI's

Veterans are urged not to communicate with the Veterans Administration about non-receipt of GI subsistence checks as this will only delay the process of getting checks on the way to enrolled students.

According to Manager L. C. Chapman of the Los Angeles Regional Office, subsistence checks are based on evidence of enrollment, and they are being mailed as soon as possible.

He estimated that all 35,000 eligible GI students will have received their checks by the first of December, if not before.

"FOR ONLY 1c A DAY YOU CAN BUILD US A NEW SWIMMING POOL"

Why We Need A New Pool:

The Canyon pool has served its time and its need. It was built for a city of 2500; it is now expected to serve a city of 7500. Built over 20 years ago, it has become aged, and run down. The expense of repair and maintenance on anything completely worn out soon approaches the cost of replacement. The repair and maintenance of antiquated equipment goes on year after year—each year more than the year before. Face the fact that the old pool is shunned by many because of the potential hazards inherent in its location and inadequacy.

How Much Will It Cost?

The new pool will cost the average homeowner about one cent a day for three years or less—that is the average assessment of real property owners in Sierra Madre. The pool, bath houses and sun decks will cost a total of about \$35,000.

How Will It Be Paid For?

The new pool will soon pay for itself. The initial cost will be paid by the formation of Sierra Madre into a special tax district for the purpose of levying each year for three years a special tax not to exceed 25 cents on each \$100 of assessed valuation of property in the city and not to exceed the total sum of \$35,000. This you are asked to vote "YES" on.

What Will You Get?

You will get a modern, accessible, sunny, clean swimming pool of approximately 40 by 80 feet. You will get all the pleasure and benefits that a good pool will bring everybody—but won't you get something more? The satisfaction that you have created the basis for a recreation center for all that will last for a long time to come, for a cost to you of about one cent a day now.

☒ - VOTE 'YES' FOR A NEW POOL NEXT TUESDAY! - ☒
